Welcome to your private oasis in this gem of a neighborhood so close to the city! This beautifully renovated ranch sits up on a 1.2 acre private lot in the heart of Sagamore Hills known for its strong community and schools. Heatherwood is a community within a community that holds their own fun neighbor events. Upon entry of this special home, you will just say WOW ! The gorgeous designer eat in kitchen has plenty of space for any chef to enjoy. You will love the charming keeping area, fireplace and French doors to the back yard. The spacious dining room leads to the jaw dropping family room of your dreams with floor to ceiling windows, vaulted ceilings, beams and stone fireplace. The left side of the home has a traditional 3 bed 2 bath layout with the 2 bedrooms sharing a hall bath with tub. The Primary has an ensuite that will make you feel like you are staying in a chic hotel! The fourth bedroom is off the kitchen so it could be more of a flex space, playroom, exercise, office, etc. The outside space is as amazing as the inside with the playset and deck and your own forest where you will often see deer, owls and other wildlife. This is truly a unique gem conveniently located near all highways, Decatur, Toco Hills, Oak Grove and the new Children's Hospital complex of CHOA.
